Cellphone in India

Traveling to India but want to stay connected to your family and friends here?

Well ABC Travels has the perfect solution. With the minimal cost, you can now make phone calls and text messages unlimited to USA from India. The best part is you do not have to worry about buying a new phone too, we will provide you with an **iPhone 5s** with a **sim card** you can use it once you land in India. We ship you the phone and a return envelope so you do not have to worry about picking up or dropping off the phone.
